answer to the question. If the information has not been received, the question may be postponed to be taken up later, by which time perhaps the information would be received."

MR. SPEAKER :—" The hon. Member may give fresh notice of the question."

High cattle mortality in Chittoor district.

* 293-E Q.—SRI D. SEETHARAMIAH : Will the Hon. the Minister for Land Revenue be pleased to state whether the Government have received official reports about the high cattle mortality from Chittoor and other affected districts; and if so, the extent of such morality since January 1952?

THE HON. SRI M. A. MANICKAVELU NAICKER :—" Yes. Mortality due to diseases in the affected districts was 2,050. Mortality due to floods in Chittoor, Kurnool and Cuddapah during May 1952 was 121,950."

SRI T. NAGI REDDI :—" Sir, in view of the fact that it is already 11-30 a.m., I request that this question be taken up tomorrow or else I request the Hon. Speaker will be pleased to have a half-hour debate on this question because it is a very important one." 11-30 a.m.

MR. SPEAKER :—" As the question has already been put, I cannot postpone it. I will give five minutes more to the hon. Member for putting supplementary questions."

SRI T. NAGI REDDI :—" Sir, even according to the information given by the Hon. Minister more than a lakh of cattle have died in these places and the people are suffering a great deal. I want that the Government should give us all the information available and we also want to place our troubles before the Government. I therefore request you, Sir, to have a half-hour debate over this very important matter."

MR. SPEAKER :—" The hon. Member can say what he has got to say on this subject when the Appropriation Bill comes up for discussion in the course of the day."

SRI T. NAGI REDDI :—" Sir, during the discussion on the Appropriation Bill we cannot concentrate on a single point nor can the Government in their reply concentrate on a single point. It is better to have a half-hour debate so that we can get a definite answer from the Government and we could also give definite suggestions to the Government. If the House is to adjourn at 5 o'clock, we could have a half-hour discussion after that."

MR. SPEAKER :—" I am sorry I cannot allow it. The answers for the rest of the questions will be printed in the proceedings."
